Located 300m down the 'on-title' driveway is this 1 bedroom registered shack, in the middle of an ultra-private 15 acres parcel of land, in the pristine area of Lune River in Tasmania's far south. The shack is surrounded by cleared pasture of approx. 30% of the property, has power connected and ample water with a small tank and 2 dams nearby. The remaining 70% of the land is native forest.

The 15 acres includes 2 small dams near the shack and good pasture in the surrounding area whilst the remaining vegetation is a mixture of large tall timbers, tea tree forest and beautiful fauna the area is renowned for. Heating to the dwelling is via a free standing wood heater and there is no shortage of timber!
