3 1 6

This immaculately kept 3 bedroom home is situated in one of Tasmania's most popular seaside destinations, the beautiful Southport. Located on a quiet and safe no through road with magnificent and uninterrupted ocean views from most aspects. You can sit on the front or back deck and enjoy the views and breathe in the clean salt air or venture out only 50m from your back door to a very sheltered beach for a swim. You can launch your boat from the beach quite easily to head out and catch some flat head for dinner or a little further out you can set the pots for some crayfish.

Entertain at home, bring the family as there is plenty of parking available and the yard is fully fenced and very secure. A large lock up shed to house the boat and the fishing gear has easy access plus there is a single garage also.
