

LOT 4 Lightwood Creek Road Glen Huon TAS

Be self sufficient when you purchase this 56 acre property with its own lake and 3 dams. There is rolling pastureland with tall timbers and one of the most amazing views you are likely to see from a home site, of which there are many to choose from. Set high on the hillside, yet with plenty of level land it is perfect for a small farm or large hobby farm. Currently grazing sheep and cattle, you and your stock can take advantage of the Huon Valleys reputation for excellent annual rainfall and clean green environment, growing lush green grass and almost anything you like. The views are genuine and even understated in the photos. An inspection will allow you to see first hand the true magnitude of the vista. For directions, detailed information or an email brochure you are invited to call anytime at all. Drive by inspections are welcome but if you wish to enter the property you must first let the agent know.
