

104 Arve Road Geeveston TAS

Yes the price is correct! 3042m2 riverfront block with no crown reserve onto Scotts River. Several handy sheds and some new fencing are an added bonus. Only a few minutes walk to shops and schools, yet in a rural area. Power and Town water are close by and there is an established access already. At this price you can invest and sit on it for a while, or if you are looking to build on a permanent river, then a better price is hard to find. Call anytime for directions or an Ebrochure.
