A journey back in time! This lovingly restored circa 1897 Victorian homestead is one for the period home enthusiast. All the work has been done, simply move in and enjoy the 4 bedroom, plus study plus 3 living rooms and 2 bathroom 332m<sup>2</sup> quality residence. The home is set on over an acre of private park like gardens and trees with feature ponds, sheds and big carport. It just radiates with character and charm and an inspection will certainly astound you as to the unique quality of this entire property.

Inside the 2 wide hallways lead to large bedrooms, some with bay windows, and upstairs to a huge bedroom with walk in robe and ensuite as well as attic space entry. The study could be a 5th bedroom as there is a reading room or library room that could be the study if so required. The sitting room is reminiscent of the era as is the large formal lounge and the separate family dining room leading to the country kitchen and covered entertaining beyond. Outside
