2 1 1

This is a superb home originally built in 1948. The home has been fully renovated and updated and there is no hard work left to do. The roof and guttering have been replaced. The home has been reclad with shadow board. Wiring and plumbing has been completed. The living space is open plan and has a new kitchen including a pantry, under bench oven, cooktop and range hood with room for a dining table. All this is adjoined by a light filled lounge room that is warm and cosy. Wander down the hallway to the two bedrooms and new bathroom. The laundry is a handy nook close to the bathroom. The back exit of the house has a boot storage area and leads onto a cute little deck that is an ideal place to relax and soak in the sunshine while taking in the rural view.
