

Huon Highway Strathblane TAS

Welcome to this 40.26 hectare natural bush block at Strathblane, just a 5 minute drive from the seaside township of Dover. Although you are so close to town, it is your own peaceful haven ready for you to create your dream. The block is covered in beautiful large trees with light bush undergrowth and Creekton Rivulet runs along one of the boundaries. The block is located in a private tranquil location with two sides surrounded by Forestry reserve and you have stunning mountain views off in the distance. There is power at the boundary but you will require water tanks and a sewerage treatment system. Land parcels of this size are rare! Phone Kim Wilson anytime for further information or to book an inspection.
