49C Knights Road is a contemporary new residence presented at its finest, located centrally in the heart of Huonville. The unique floor plan offers variance for all the family, whilst providing light, open plan living to enjoy. The finish is of the highest quality and highlights include stone bench tops, elite appliances, full insulation, double glazed windows & doors to name a few. The kitchen boasts a butler's pantry, and an island bench providing that extra space we all enjoy when hosting family and friends for dinner. All three bedrooms in the main residence are spacious with built-in robes and a walk-in robe in the main bedroom which leads to a tiled ensuite. The main bathroom creates relaxation as you enter - enjoy a glass of wine with a book in the deep free-standing bath or take a shower with the choice of two shower heads that work together or singularly. This clever feature is offered in the ensuite shower as well. Usually, a laundry is not a discussion point
